

NEWS UPDATE

MARCH 2007

Two Year Work Permits for Truck Drivers – a success.

Since the announcement on February 23, 2007, by Canada's Government this has made a huge difference to the numbers of people now expressing interest in work opportunities in Canada. Our website has up to date details of all of our current opportunities in Canada

Manitoba & New Brunswick HGV1 drivers needed now!

Since launching our service in Ontario in January we have ventured into other provinces and now have several vacancies for suitably experienced HGV1 drivers in both Winnipeg, Manitoba and Sussex, New Brunswick. For more information, please call us or visit our website at www.bamfordcs.co.uk/canada to apply on line.

ONTARIO - HGV1 or HGV2 Drivers needed now.

For those wishing to work in Canada for up to two years at a time, Ontario needs you. Excellent training and earnings potential working for five star North American carriers. For details call, email or visit our website www.bamfordcs.co.uk/canada

Online Application Service

As reported last month, we have developed a much improved on-line application service. CV & document upload/download facilities are now fully functional which will dramatically speed up our ability to receive and respond to enquires.

Other News

Of our first two drivers in Toronto we are delighted to report that Jim passed his MTO test and Tony takes his in early April. Confirmed job offers and the all important Work Permit will soon be in hand. We have 2 more drivers lined up to start in Toronto at the end of April and 2 more preparing for a start in New Brunswick at end of April/ early May as well as two awaiting interview for work in Manitoba.

By the late summer we should be on target for assisting with the placing around 10- 12 drivers per month. Watch this space ! ❖

KARAS & ASSOCIATES
Barristers and Solicitors
Toronto, Canada

For immigration matters within Ontario & New Brunswick we are delighted to have retained the services of **Karas & Associates** who are recognised experts in Canadian immigration law. To learn more please visit www.karas.ca

We are proud to partner with NuPAD Solutions Canada, for all of our relocation needs across Canada. Visit them today for more information at www.nupad.ca

Bamford Contract Services Ltd were established in 1989 and are now one of the most successful independent recruitment agencies in the North West. We are looking to open an office in Toronto, Canada and during this process, we have sought out a team of Canadian associates who are professional, well established organisations who can provide assistance with job offers, immigration matters, relocation of family & personal effects, and specific insurance approved truck driver training – essential to secure employment with the majority of the large North American Carriers operating out of Canada.
